

SCHARRFUELS 
bring energy to life

CLEANLIFE[®]  **FREE**
SMALL ENGINE GASOLINE

**CLIMATE-NEUTRAL* DEVICE FUEL
FOR YOUR HEALTH AND THE ENVIRONMENT**

CLEANLIFE® 2-STROKE ENGINE GASOLINE

ADVANTAGES

- Climate-neutral*
- Purest and consistent refinery grade
- Healthy workplace and clean environment**
- Optimum running characteristics
- Best standard values and long shelf life
- Excellent cold start behavior

**The special fuel for the forestry and landscaping industries.
Ready-mixed with 2 % fully synthetic high-performance oil.**

SUITABLE FOR (Observe the instructions of the machine manufacturer.)

Chain saws, brush cutters, leaf blowers, hedge trimmers, lawn trimmers, chippers and shredders, brush saws, powered pruners, cut-off saws, air-cooled mopeds ...

*As part of our climate protection initiative, we make your device fuel climate-neutral by offsetting it with climate protection certificates. More information is available at www.scharr.de/blue

**This fuel is environmentally friendly due to significantly lower exhaust emissions, and it is safer for users due to the absence of toxic components (benzene, sulfur, lead).

CLEANLIFE® 4-STROKE ENGINE GASOLINE

ADVANTAGES

- Climate-neutral*
- Purest and consistent refinery grade
- Healthy workplace and clean environment**
- Optimum running characteristics
- Best standard values and long shelf life
- Excellent cold start behavior

The special fuel for the forestry and landscaping industries.

SUITABLE FOR (Observe the instructions of the machine manufacturer.)

4-stroke lawn mowers, snow blowers, carts, classic cars, motorcycles and motor scooters, motor boats, generators ...

*As part of our climate protection initiative, we make your device fuel climate-neutral by offsetting it with climate protection certificates. More information is available at www.scharr.de/blue

**This fuel is environmentally friendly due to significantly lower exhaust emissions, and it is safer for users due to the absence of toxic components (benzene, sulfur, lead).

- Benzene-, sulfur- and lead-free
- Aromatic content reduced to a minimum
- Clean combustion with high engine performance
- Tested quality with KWF seal
- Best values according to DIN EN 228, Swiss standard SN 181163 and Swedish standard SS 155461
